Anay Gandhi

West Lafayette, IN
-Email me on Indeed: http://www.indeed.com/r/Anay-Gandhi/ee88bdfdb4c30d79

To apply technical and interpersonal skills in an internship with a focus on data science.

Authorized to work in the US for any employer

Work Experience

Undergraduate Data Science Researcher

The Data Mine, Purdue University - West Lafayette, IN
August 2022 to April 2023

· Collaborated with Tesla, Inc. on the development of ML models, including an NLP model and a prediction system
· Gained high-level exposure to LSTM model, experience with KMeans clustering, and developed a prediction model, and utilized Agile methodologies
· Trained to use Python, R, SQL, and Bash in TDM 20100 and 20200 to manipulate data and work with real world datasets

Teaching Assistant

Kumon North America
May 2019 to July 2021

• Worked closely with the Instructor (franchise owner) and my teammates to design personalized solutions for several dozen students and analyze their performance
• Gained responsibilities over time, including: overseeing dozens of students, advising franchise owner, & helping acclimate new employees to the work environment
